

**The Long Beach  
Township Police  
Department  
"Cops who Care"  
Community Outreach  
Program**

Is there a special need that we can help you with? Would you like us to enhance your personal safety or safeguard your home or property? We are here to help!

The Long Beach Township Police Department is proud to offer a new program called "Cops who Care." If you or a loved one are disabled, impaired, home alone, or have any other need that you might want assistance with please complete the attached registration form and forward to:

The Long Beach Township Police  
Department  
6805 Long Beach Blvd.  
Brant Beach, NJ 08008  
Attn: "Cops who Care"

Fax number: 609-494-6504  
Email: [CommunityPolicing@lbtspd.org](mailto:CommunityPolicing@lbtspd.org)

This program will be run in cooperation with the Long Beach Island Health Department, St. Francis Community Center and the Long Beach Island Consolidated School System. All participants will be placed in a "Cops who Care" confidential database. We will use this list to provide better service to you, our neighbor. Maybe you just want an officer to drive by your house or maybe you would like us to stop in for a visit. You might need to be referred to the LBI Health Department to be placed on their "Special Needs" list in case of an emergency or evacuation. Others looking to safeguard their home might need a Homeowner Emergency Contact Information sheet to be placed on our vacant home watch list. Whatever your need is, we care.

**This is a voluntary program and all information will remain strictly confidential.**
