OCEAN COUNTY POLICE CHIEF'S ASSOCIATION

PoliceApp has partnered with the Ocean County Police Chiefs Association (OCPCA) to offer regionalized testing and recruitment. The Ocean County Police Academy Alternate Route Certification Program will use this exam for its entrance process. Additionally, **23 Ocean County Police Departments** will use this exam to fill vacancies for SLEO 1 & 2 and full time positions. Please see participating agencies at the bottom of this registration page. All agencies are Equal Opportunity Employers.

How It Works

Results will be accepted by 23 agencies!

Your score is valid for 12 months as of September 2021. During this 12-month period, you may apply for any position advertised by a department participating in the OCPCA program, provided you meet that department's minimum score requirements, as well as any other department-specific prerequisites.

Only those applicants who pass the written examination will continue on to the Physical Assessment portion of the exam. A minimum of 50 percent (up to a maximum of 400 applicants) who successfully pass the written exam will be notified and move on to the Physical Assessment portion. The Physical assessment will be held after the written exam at a later date and time. **The physical exam is tentatively scheduled for August 30th and August 31st.**
